

DO NOT RELEASE BEFORE JUNE 12, 2018

2019 KAWASAKI MULE PRO™ FAMILY

READY FOR THE JOBSITE AND THE TRAILS

The Kawasaki MULE PRO™ series features the fastest and most powerful MULE™ side x sides ever built with both single and two row models available. It is the right tool for anyone who needs to transport passengers or cargo on the jobsite or on the trail.

Model variations include the MULE PRO FXT™ a two-row vehicle that seats six comfortably and easily transforms to a single row with additional cargo storage. The MULE PRO-FX™ is a single row model that seats three and has a bed big enough to fit a full-size pallet. The MULE PRO-FXR™ features increased recreational abilities and premium styling that further establishes the full-size, compact side x side as the customer's dependable work partner.

Powered by an 812cc three-cylinder fuel injected DFI® gasoline engine that delivers a 48 lb-ft of torque. Power from the engine is passed through a precisely tuned Continuously Variable Transmission (CVT) with an electronically selectable 2WD/4WD system and dual-mode locking rear differential, giving the driver control in a variety of conditions.

Each MULE PRO side x side is built with a tough chassis that provides a smooth ride through the use of independent suspension front and rear. The suspension provides a generous 8.7" of travel and excellent ground clearance .

ABOUT KAWASAKI

Kawasaki Heavy Industries, Ltd. (KHI) started full-scale production of motorcycles over a half century ago. The first Kawasaki motorcycle engine was designed based on technical know-how garnered from the development and production of aircraft engines, and Kawasaki's entry into the motorcycle industry was driven by the company's constant effort to develop new technologies. Numerous new Kawasaki models introduced over the years have helped shape the market, and in the process have created enduring legends based on their unique engineering, power, design and riding pleasure. In the future, Kawasaki's commitment to maintaining and furthering these strengths will surely give birth to new legends.

Kawasaki Motors Corp., U.S.A. (KMC) markets and distributes Kawasaki motorcycles, ATVs, side x sides, and Jet Ski® watercraft through a network of approximately 1,100 independent retailers, with close to an additional 7,700 retailers specializing in general purpose engines. KMC and its affiliates employ nearly 3,100 people in the United States, with approximately 260 of them located at KMC's Foothill Ranch, California headquarters.

Kawasaki's tagline, "Let the good times roll.®", is recognized worldwide. The Kawasaki brand is synonymous with powerful, stylish and category-leading vehicles. Information about Kawasaki's complete line of powersports products and Kawasaki affiliates can be found on the Internet at www.kawasaki.com.
