2019 KAWASAKI MULE SX™ FAMILY

COMPACT, CAPABLE, AND PACKED WITH VALUE

The 2019 Kawasaki MULE SX™ family of side x side vehicles offers a wide variety of compact, capable and user-friendly vehicles designed for hard work with minimal size. The little brother to the MULE PRO line of side x sides, the MULE SX takes many of the same styling cues and like all MULE™ products, it's built Kawasaki Strong. Don't let the small stature of the MULE SX side x side fool you; it takes on its share, and then some.

Designed to be compact, small enough to fit into the bed of most full-size pickup trucks, but built with the strength and capability that Kawasaki MULE side x sides are known for, the MULE SX can work hard and play hard. Its narrow fender-to-fender width allow it to access more compact places and do almost as much as its larger counterparts. The MULE SX side x side is available in six configurations, starting with the standard SX two-wheel-drive model up to the XC options.

ABOUT KAWASAKI

Kawasaki Heavy Industries, Ltd. (KHI) started full-scale production of motorcycles over a half century ago. The first Kawasaki motorcycle engine was designed based on technical know-how garnered from the development and production of aircraft engines, and Kawasaki's entry into the motorcycle industry was driven by the company's constant effort to develop new technologies. Numerous new Kawasaki models introduced over the years have helped shape the market, and in the process have created enduring legends based on their unique engineering, power, design and riding pleasure. In the future, Kawasaki's commitment to maintaining and furthering these strengths will surely give birth to new legends.

Kawasaki Motors Corp., U.S.A. (KMC) markets and distributes Kawasaki motorcycles, ATVs, side x sides, and Jet Ski® watercraft through a network of approximately 1,100 independent retailers, with close to an additional 7,700 retailers specializing in general purpose engines. KMC and its affiliates employ nearly 3,100 people in the United States, with approximately 260 of them located at KMC's Foothill Ranch, California headquarters.

Kawasaki's tagline, "Let the good times roll.®", is recognized worldwide. The Kawasaki brand is synonymous with powerful, stylish and category-leading vehicles. Information about Kawasaki's complete line of powersports products and Kawasaki affiliates can be found on the Internet at www.kawasaki.com.
