Detailed description: This is a technical exploded view diagram of a timing chain assembly. At the top left, a 'FRONT' arrow points to the left. The diagram shows various components with leader lines pointing to their respective part numbers. At the top, there are two bolts (92153) and a washer (92022). Below these are two small pins (120) and a bracket (12053A). To the right are two gears (12046A) and two washers (92200, 92210). In the center, there is a long timing chain (92057) with two gears (12046) at its ends. The chain is connected to a bracket (12053) via pins (120) and a small bracket (12048). To the right of the chain are two pins (120A) and a bolt (92153). Below the chain is a washer (92022). At the bottom, there are two bolts (13107, 13107A) and a gear (12046). The diagram also shows a 'Ref. Crankcase' and a 'Ref. Crankshaft' with their respective components. The part numbers are: 92022, 92153, 12053A, 120, 12046A, 92200, 92210, 120, 120A, 12048, 120A, 12053, 92153, 92022, 92057, 12046, Ref. Crankcase, Ref. Crankcase, 13107, 13107A, Ref. Crankcase, and Ref. Crankshaft.
