

Fuel Injection

Let the Good Times Roll®

Diagram illustrating the front suspension assembly components:

- 11057: Upper control arm
- 92075: Lower control arm
- 92152: Lower control arm ball joint
- 21176A: Lower control arm ball joint
- 120: Lower control arm ball joint

A technical line drawing of a cylinder head assembly, likely for a four-cylinder engine. The drawing shows the head from a perspective view, highlighting the four combustion chambers and the timing belt mechanism at the front. The timing belt is shown as a loop with a tensioner pulley. The drawing is a black and white line art, suitable for a technical manual.

92055

Cleaner

Diagram illustrating the connection of the 21176C cable to the Ref. Muffler(s).

Diagram illustrating a cable assembly with two connectors. The assembly includes a cable with a connector on the left and a cable with a connector on the right. A cable labeled 92173 is shown connecting the two main cables. A cable labeled 26031 is shown connecting the right main cable to a circular component. A cable labeled 92173 is also shown connecting the left main cable to a circular component.
