

Valve(s)/Camshaft(s)

Let the Good Times Roll®

This diagram illustrates the exploded view of a mechanical assembly, likely a pump or motor component. The parts are labeled with numbers, and a 'FRONT' arrow indicates the orientation. The assembly includes a central gear (12044) mounted on a shaft (12032). The shaft is supported by bearings (12011) and a housing (12016). The housing is secured with screws (92210) and washers (480). The assembly also features a spring (49078) and a piston rod (12005) with a piston head (12004). The piston rod is connected to a lever arm (12016) which is pivoted on a bearing (12011). The lever arm is secured with screws (92210) and washers (480). The assembly is completed with a cap (12020) and a seal (12009).
