

Fuel Pump

Exploded view diagram of the fuel system assembly. The diagram shows the following components and their assembly relationships:

- 92154**: A small circular component, likely a gasket or seal, positioned above the fuel pump.
- 13272**: A circular component, likely a gasket or seal, positioned below the fuel pump.
- 49040**: The fuel pump assembly, shown in an exploded view with its internal components:
 - 49019**: A small component, likely a pin or clip, located below the pump body.
 - 14092**: A small component, likely a pin or clip, located below the pump body.
 - 51072**: A small component, likely a pin or clip, located below the pump body.
- 51044**: A fuel line or hose, shown connected to the fuel pump.
- 670**: A circular component, likely a gasket or seal, positioned between the fuel pump and the fuel tank.
- Ref. Fuel Tank**: The fuel tank, shown in an exploded view with the fuel pump and fuel lines.
- 92171A**: A small component, likely a pin or clip, positioned between the fuel tank and the fuel lines.
- 92171**: A small component, likely a pin or clip, positioned between the fuel tank and the fuel lines.
- Ref. Control**: A control component, shown in an exploded view with the fuel lines.
- Ref. Fuel Injection**: A fuel injection component, shown in an exploded view with the fuel lines.
- 27002**: A small component, likely a pin or clip, positioned between the fuel injection and the fuel lines.
- Ref. Frame**: The frame, shown in an exploded view with the fuel injection and fuel lines.
