

Valve(s)/Camshaft(s)

This diagram illustrates the exploded view of a mechanical assembly, likely a clutch or brake system, with various components labeled with part numbers. A 'FRONT' arrow is located in the upper left corner. The parts are distributed as follows:

- Top Section:** Includes two long shafts (13116), four pins (12032), a large gear (12044), and two shorter shafts (13116).
- Middle Section:** Features two lever arms (12016), two springs (49078), two washers (39108), two spacers (92049), and two pins (12011).
- Bottom Section:** Shows two lever arms (12016), two springs (49078), two washers (39108), two spacers (92049), and two pins (12011).

The diagram uses a standard exploded view format with leader lines connecting the part numbers to their respective components. The 'FRONT' arrow indicates the orientation of the assembly.
