

Air Cleaner-Belt Converter

Diagram illustrating the assembly of a motorcycle headlight. The main components shown are:

- Ref. Frame**: The main mounting bracket.
- Ref. Converter Cover**: The protective cover for the converter.
- 92009**: Screws used for mounting.
- 92022**: Washers or spacers.
- 14073A**: The main headlight housing.
- 14043**: A circular lens or filter.
- 92171A**: A circular gasket or seal.
- 14073B**: A series of vertical fins or a heat sink.
- 92171**: A series of horizontal fins or a heat sink.
- 14073C**: A protective shield or cover.
- 14073**: The main headlight lens or reflector.
- Ref. Converter Cover**: The protective cover for the converter.

The diagram shows the assembly process, with parts being positioned relative to the main frame and headlight housing. A "FRONT" arrow indicates the orientation of the assembly.
