

MUFFLER

Let the Good Times Roll®

Exploded view diagram of a power tool handle assembly. The diagram shows the handle (18002) and its connection to the tool body. Key components and their part numbers are labeled:

- 92075B**: A bracket or mounting plate on the left side of the handle.
- Ref. Cable**: A cable with a ring terminal, shown being attached to the handle.
- 92002**: A screw or bolt used for assembly.
- 92015**: A small circular component, possibly a washer or spacer.
- 18002**: The main handle assembly.
- 92144**: Two coiled springs, one shown near the trigger and another further down the handle.
- 670**: Two O-rings or seals, one shown near the trigger and another further down the handle.
- 11009**: A ring or seal at the end of the handle.
- 92075**: A small component at the end of the handle.

A "FRONT" arrow points towards the top left of the diagram.

1987 KX125
