

Jet Pump

Let the Good Times Roll®

Exploded view diagram of a motor assembly. The diagram shows the following components and their part numbers:

- 92093**: Small circular component (shown in an inset).
- 59255**: Motor housing/casing.
- 92049**: Washer or spacer ring.
- 92055**: Washer or spacer ring.
- 92045**: Washer or spacer ring.
- 39145**: Motor housing/casing.
- 59496**: Motor housing/casing.
- 410**: Washer or spacer ring.
- 92151**: Bolt or screw.
- 92045**: Washer or spacer ring.
- 92143**: Small cylindrical component.
- 92026**: Motor housing/casing.
- 59136**: Motor housing/casing.
- 92002**: Bolt or screw.
- 13107**: Bolt or screw.
- 92055A**: Washer or spacer ring.
- 11012**: Motor housing/casing.
- 92002A**: Bolt or screw.
- 59266**: Motor housing/casing.
- 92001**: Bolt or screw.
- 92022A**: Washer or spacer ring.
- 59476**: Motor housing/casing.
- Ref. Cooling**: Reference to a cooling system component.
- 52014**: Bolt or screw.
- 92022**: Washer or spacer ring.
- 410A**: Washer or spacer ring.
- 92002B**: Bolt or screw.

A "FRONT" arrow is located in the top left corner, pointing towards the left.
