

Crankshaft

Let the Good Times Roll®

This diagram illustrates the assembly of a mechanical component, likely a pump or motor housing, showing the relationship between various parts. The main assembly is shown in a perspective view, with several sub-assemblies and individual components shown in exploded views around it.

Key Components and Part Numbers:

- 92045**: A circular flange or cover plate.
- 92049A**: A circular flange or cover plate.
- 13031**: A central shaft or pin.
- 13037A**: A large, multi-ported circular housing or manifold.
- 13037**: A smaller circular component, possibly a seal or gasket.
- 13032**: A long, thin cylindrical component, possibly a pin or rod.
- 13034**: A small, ribbed cylindrical component.
- 13035**: A small, solid cylindrical component.
- 92045** and **92049**: Two circular flange or cover plate components shown on the right side.
- 92033**: A small, curved, hook-like component.
- 13008**: A circular flange or cover plate.
- 99996/A**: A small, rectangular component.
- 13001**: A large, cylindrical component with a flange and a small protrusion.
- 13033**: A small, ribbed cylindrical component.
- 13002**: A small, solid cylindrical component.
- 92033**: A small, curved, hook-like component.
