Let the Good Times Roll®

Diagram illustrating the front differential assembly components and their assembly sequence:

- 92001**: Pin
- 92015**: Washer
- 92139/A/B**: Shims (multiple pieces)
- 92028/A/B**: Shims (multiple pieces)
- 92038**: Pin
- 92139C~E**: Shims (multiple pieces)
- 92139F~H**: Shims (multiple pieces)
- 13251**: Differential Housing
- 13234**: Differential Case
- 13031**: Differential Gear

The diagram shows the assembly of the front differential housing (13251) and the differential case (13234). The differential case (13234) is shown with the differential gear (13031) and various shims (92028/A/B, 92139C~E, 92139F~H) and pins (92001, 92015, 92038) being installed. The differential housing (13251) is shown with shims (92139/A/B) and a pin (92001) being installed.
