

Front Fender(s)

Let the Good Times Roll®

This exploded view diagram illustrates the front-end assembly of a vehicle. The central component is the hood (35004), which is shown with its internal structure and mounting points. To the left, the driver's side fender (92072) and front bumper (59201) are depicted. Above the hood, the passenger side fender (14091A/B) and the upper grille/lip area (14091C/D) are shown. Below the hood, the lower grille/bumper area (35063) is detailed. Various fasteners, including bolts (92172, 92172A), nuts (92200), washers (92039), and clips (92153A), are shown in their respective positions. A "FRONT" arrow at the bottom left indicates the orientation of the assembly.
