

Kawasaki
Let the Good Times Roll®

Optional Parts

(Ref. Drive Converter)

This exploded view diagram illustrates the assembly of a reference drive converter. The components are shown in their relative positions, with dashed lines indicating the assembly path. The parts are labeled as follows:

- 39152**: A bracket or support arm.
- 92028**: A small pin or fastener.
- 92026**: A small pin or fastener.
- 92026A**: A large coil spring.
- 92026**: A small pin or fastener.

The assembly includes a large circular disc with a central hole, a smaller circular disc with a central hole, and a complex mechanical linkage system. A gear-like component is shown at the bottom left, and a large, irregularly shaped component is shown at the top right.
