WARNING

Operating, servicing and maintaining a passenger vehicle or off-road vehicle can expose you to chemicals including engine exhaust, carbon monoxide, oil, fuel, antifreeze, and lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm.

To minimize exposure, avoid breathing exhaust gases. Do the very best you can, as necessary, service your vehicle in well-ventilated area and wear gloves or wash your hands frequently when servicing your vehicle.

For more information go to:
www.P65Warnings.ca.gov/yourvehicle
