

Clutch

Let the Good Times Roll®

Exploded view diagram of a mechanical assembly, likely a clutch or gear component. The diagram shows the following parts and their assembly relationships:

- 92173**: A small bracket or clip at the top.
- 670**: A small rectangular plate below 92173.
- 92154**: A bolt passing through a flange.
- 13272**: A flange with two mounting holes.
- 92145**: A spring or pin connecting the flange to the main assembly.
- 16007**: A small ring or spacer.
- 92025**: A washer or spacer.
- 92046**: A small circular component, possibly a seal or bush.
- 13187**: A large circular component with internal teeth or splines.
- 13088**: A series of intermediate gears or splined shafts.
- 13089B~D**: A specific gear or shaft component within the 13088 series.
- 13089A**: Another gear or shaft component within the 13088 series.
- 13087**: A large gear or shaft component at the front.
- 13089**: A large gear or shaft component at the rear.
- 13095**: A large gear or shaft component at the bottom.
- 92022**: A washer or spacer.
- 92022A**: Another washer or spacer.
- 92015**: A nut or lock washer.
- 46102**: A long shaft or pin passing through the assembly.
- 92026**: A washer or spacer.
- 92139**: A small cylindrical component.
- 92046A**: A small cylindrical component.
- 92026A**: A small cylindrical component.
- 13102**: A long lever or arm.
- 92145A**: A spring or pin connecting the lever to the main assembly.
- 92200**: A small circular component at the end of the lever.

The diagram includes a "FRONT" arrow pointing towards the left, indicating the orientation of the assembly.
