

Cylinder/Piston(s)

Let the Good Times Roll®

This diagram illustrates the exploded view of a cylinder head assembly. The main component is the cylinder head, labeled 11005, which features four large circular openings for the valves. A gasket, labeled 11060, is shown below the head, with a central rectangular cutout. A small, irregularly shaped gasket, labeled 11009, is positioned above the head. A bolt, labeled 49035, is shown to the left of the head, and a nut, labeled 92055, is shown below it. A pin, labeled 92043, is shown to the right of the head, and a pin, labeled 92043 A, is shown below it.
