Let the Good Times Roll®

This diagram illustrates the exploded view of a mechanical assembly, likely a vehicle's suspension or steering system. The components are labeled with part numbers:

- 15001**: The main assembly or frame at the top.
- 220 B**: A component at the top right, possibly a shock absorber or spring.
- 39184 A**: A component below 220 B, possibly a control arm or bracket.
- 92037**, **92037 A**, **92059**, **92059 A**: Various pins, washers, and spacers.
- 92068**, **92043**, **92081**: Small components, possibly bolts or nuts.
- 92015**, **92001**: Components on the right side, possibly part of a wheel hub or brake assembly.
- 15002C**: A component on the far right, possibly a wheel or tire assembly.
- 16065A**, **16041**, **13168**, **220A**, **92045**, **92081A**, **92033**, **92022**: Components on the left side, possibly part of a suspension arm or bracket.
- 15002**: A component in the lower left, possibly a wheel or tire assembly.
- 92045**, **92081A**: Components near the 15002 assembly.
- 15002A**, **92005A**: Components in the center, possibly part of a wheel hub or brake assembly.
- 92005**: A component below 15002A.
- 16065**: A long component at the bottom, possibly a suspension arm or bracket.
- 92081C**, **92022A**, **39184**: Components near the bottom center, possibly part of a control arm or bracket.
- 220C**, **220**, **92028**, **16021**: Components at the bottom, possibly part of a suspension arm or bracket.
