

Ignition Switch/Locks/Reflectors

Let the Good Times Roll®

This diagram illustrates the exploded view of the ignition switch assembly. It includes the following components:

- 27005**: A cylindrical component, likely a solenoid or actuator, which is part of the main switch assembly.
- 21007**: A small, cup-shaped component, possibly a pin or a spacer, located between the keys and the main assembly.
- 27016**: A component that appears to be a bracket or a mounting plate, positioned below the keys.

The diagram shows the keys being inserted into the lock cylinder, which is mounted on the main assembly. The components are shown in their relative positions for assembly.
