Detailed description: This is a technical exploded view diagram of a timing chain assembly. At the top left, a 'FRONT' arrow points to the left. The diagram shows various components with leader lines pointing to their respective part numbers. At the top, there are two bolts (92153) and two washers (92022). Below these are two small brackets (12053A) and two screws (120). A large gear (12046A) is shown with a washer (92200) and a nut (92210). A long timing chain (12048) is the central component, with several pins (120A) and a bracket (12053) attached to it. Below the chain are two gears (12046) and a pin (92057). At the bottom, there are two crankcase components (labeled 'Ref. Crankcase') and two crankshaft components (labeled 'Ref. Crankshaft'). One crankshaft is shown with a pin (13107) and another with a pin (13107A). The diagram is a black and white line drawing with no shading.
