Detailed description: This is a technical exploded view diagram of a timing chain assembly. At the top left, a 'FRONT' arrow points to the left. The diagram shows various components with leader lines pointing to their respective part numbers. At the top, there are two bolts (92153) and a washer (92022). Below these are two small brackets (12053A) and pins (120). A large gear (12046A) is shown with a pin (120) and a washer (120A). To the right are two more washers (92200) and a nut (92210). In the center, a long timing chain (12048) is shown with pins (120A) and a bracket (12053). Below the chain are two gears (12046) and a pin (92057). At the bottom, there are two crankcase components (Ref. Crankcase) and two crankshaft components (Ref. Crankshaft). One crankshaft is shown with a pin (13107) and a bracket (13107A). The diagram is labeled with 'E132' in the top right corner.
