

Battery Case

Let the Good Times Roll®

Diagram illustrating the front of the unit. A label "FRONT" with an arrow points to the front panel. The front panel is labeled "31009". A label "(CA)" points to the front panel latch.

A diagram showing a hand holding a tool. A reference frame is established with the tool's tip as the origin. The tool's handle is aligned with the positive Z-axis. The positive Y-axis points towards the hand, and the positive X-axis points to the right. The tool is labeled '11012'.

Diagram illustrating the assembly of a vehicle chassis component, showing various parts and their reference points:

- 130A**: Two bolts at the top of the assembly.
- 32109**: A rectangular component located below the top bolts.
- 92037A**: Two curved brackets on the left side.
- Ref. Frame**: The main structural frame of the vehicle.
- (A)** and **(B)**: Reference points on the frame.
- 35011**: A large bracket or support structure at the bottom.
- 35011A**: A smaller bracket or support structure to the right.
- 120**: Four bolts securing the bottom brackets.

Exploded view diagram of the rear of a vehicle chassis, showing the installation of the rear cross member and various fasteners. The diagram includes the following components and labels:

- 92009**: Two screws used to secure the rear cross member to the chassis.
- 32098**: The rear cross member.
- 92075**: A bush or spacer used in the rear cross member assembly.
- 92015**: Two small clips or spacers used to secure the rear cross member.
- 92001**: A screw used to secure the rear cross member.
- 92037**: A nut or washer used to secure the rear cross member.
- 11045**: A bracket or support used to secure the rear cross member.
- 32097**: The rear cross member.
- 01**: A component labeled "Ref. Electrical Equipment".
- 11012A**: A bracket or support used to secure the rear cross member.
- 221**: A screw used to secure the bracket.
- Ref. Frame Fitting**: A component used to secure the rear cross member to the frame.
