

PARTS DIAGRAM

Camshaft/Tensioner

Let the Good Times Roll®

Diagram illustrating the assembly of a mechanical component, showing various parts and their assembly sequence:

- 92002**: A long vertical rod or pin.
- 12053A**: A bracket or support plate.
- 120**: A small pin or fastener.
- 12044A**: A long cylindrical shaft or tube.
- 12044**: A shorter cylindrical shaft or tube.
- 12046**: Two gears or sprockets.
- 92001**: Two bolts or screws used to secure the gears.
- 12053**: A large, curved bracket or support plate.
- 12053B**: A smaller bracket or support plate.
- 92057**: A small component, possibly a pin or fastener, located near the gears.
- 11009/A**: A small component, possibly a pin or fastener, located near the bottom bracket.
- 92027**: A small component, possibly a pin or fastener, located near the bottom bracket.
- 92022**: Two small components, possibly pins or fasteners, located near the bottom bracket.
- 130**: A small component, possibly a pin or fastener, located near the bottom bracket.
- 12048A/B**: A bracket or support plate.
- 132**: A small component, possibly a pin or fastener, located near the bottom bracket.
- 12048**: A small component, possibly a pin or fastener, located near the bottom bracket.
- 670A**: A small component, possibly a pin or fastener, located near the bottom bracket.
- 670**: A small component, possibly a pin or fastener, located near the bottom bracket.
- 92002A**: A small component, possibly a pin or fastener, located near the bottom bracket.
