

Camshaft(s)/Tensioner

Let the Good Times Roll®

Exploded view diagram of a timing chain assembly. The diagram shows the following components and their part numbers:

- 49118A**: Timing chain tensioner arm.
- 49118**: Timing chain tensioner body.
- 12046**: Timing chain sprocket.
- 92003**: Sprocket pin/bush.
- 12053**: Timing chain guide.
- 92057**: Timing chain.
- 12053A**: Timing chain guide rail.
- Ref. Cylinder Head**: Reference to the cylinder head.
- 12048**: Timing chain guide bracket.
- 92055**: Timing chain guide pin/bush.
- 92151**: Timing chain guide pin/bush.
- 12053B**: Timing chain guide bracket.
- 92152**: Timing chain guide pin/bush.
- 92154**: Timing chain guide pin/bush.

A "FRONT" arrow indicates the orientation of the assembly.
