

Frame Fittings

Let the Good Times Roll®

Diagram illustrating the assembly of a motorcycle rear suspension system, showing the relationship between various components and their reference points.

Key Components and Labels:

- Ref. Frame:** The main frame structure, shown in two positions (top and bottom).
- Ref. Rear Master Cylinder:** Two cylinders shown, one for the top frame and one for the bottom frame.
- Ref. Rear Fender(s):** The rear fender assembly at the bottom.
- Other Components:**
 - 49016, 92039, 92066, 92093, 11065, 550, 92015, 92154, 35063C, 55020A, 35063, 92151, 55020, 92153, 35063B, 35063A, 92153, 92039A, 39156, 32037, 92026.

Assembly Notes:

- The diagram shows the rear suspension assembly from a side perspective, with the front of the motorcycle indicated by an arrow labeled "FRONT".
- The assembly is shown in two main configurations: one for the upper frame and one for the lower frame.
- The rear master cylinder is shown in two positions, one for each frame.
- The rear fender is shown at the bottom, with the rear suspension components attached to it.
