

Throttle

Let the Good Times Roll®

This diagram illustrates the assembly of a Kymco engine, showing the relationship between various components and their corresponding part numbers. The main engine block is shown at the bottom left, with the 'KYMCO' logo visible. The following components are shown in an exploded view:

- 92172**: A small screw or bolt at the top center.
- 13272**: A rectangular plate or bracket below the screw.
- 16126**: A large rectangular plate or cover on the left side.
- 92055A**: A small circular washer or gasket below the 16126 plate.
- 92154**: A long screw or bolt on the right side, pointing towards the engine block.
- 49033**: A small component, possibly a valve or sensor, in the center.
- 16073**: A small circular washer or gasket below the 49033 component.
- 92055**: A small circular washer or gasket to the right of the 16073 component.
- 92154A**: A long screw or bolt on the far right, pointing towards the engine block.
