Let the Good Times Roll®

Exploded view diagram of a front suspension assembly. The diagram shows the following components and their assembly relationships:

- Ref. Front Fork**: The upper assembly, indicated by a **FRONT** arrow and a circled **A**.
- Ref. Front Master Cylinder**: The master cylinder assembly, indicated by a circled **A**.
- Ref. Frame Fittings**: The frame fitting assembly, indicated by a circled **A**.
- 99994/A**: A bracket or plate connecting the frame fittings to the master cylinder.
- 130**: A pin or bolt used in the frame fitting assembly.
- 92171**: A small component, possibly a bush or spacer, located near the frame fitting.
- 14093**: A circular component, likely a brake disc or rotor, shown in two positions.
- 92154**: A small pin or bolt used to secure the brake disc.
- 23016**: A component, possibly a brake caliper or bracket, shown in two positions.
- 11056**: A bracket or mounting plate.
- 14093A**: A circular component, likely a brake disc or rotor, shown in two positions.
- 92154A**: A small pin or bolt used to secure the brake disc.
- 26031**: A cable or hose assembly.
- 92072**: A long, thin component, possibly a shock absorber or strut.
- 92072A**: A small component, possibly a bush or spacer, located near the shock absorber.
- 92071**: A small component, possibly a bush or spacer, located near the shock absorber.
- 92153**: A small component, possibly a bush or spacer, located near the shock absorber.
- 92153A**: A small component, possibly a bush or spacer, located near the shock absorber.
- 92161**: A small component, possibly a bush or spacer, located near the shock absorber.
- 92075**: A small component, possibly a bush or spacer, located near the shock absorber.
- 92027**: A small component, possibly a bush or spacer, located near the shock absorber.
- 92022**: A small component, possibly a bush or spacer, located near the shock absorber.
- 130A**: A small component, possibly a bush or spacer, located near the shock absorber.
- 120**: A small component, possibly a bush or spacer, located near the master cylinder.
- 27010**: A small component, possibly a bush or spacer, located near the master cylinder.
- 92152**: A small component, possibly a bush or spacer, located near the master cylinder.
