

PARTS DIAGRAM

Valve(s)/Camshaft(s)

Let the Good Times Roll®

This diagram illustrates the exploded view of a mechanical assembly, likely a suspension or steering component. A black arrow in the upper left corner points towards the top left and is labeled "FRONT". The assembly consists of numerous parts, each identified by a numerical callout:

- 13116**: Long thin rods or shafts.
- 12032**: Small cylindrical pins or bushings.
- 12044**: A large gear or sprocket.
- 92210**: Small hexagonal nuts.
- 92009**: Small screws or bolts.
- 12016**: L-shaped brackets or arms.
- 480**: Small circular washers or spacers.
- 12011**: Small cylindrical components, possibly bushings.
- 12009**: Large circular washers or spacers.
- 49078**: Coiled springs.
- 39108**: Small circular components, possibly bushings.
- 92049**: Small cylindrical pins or bushings.
- 12004**: Long cylindrical components with flanges.
- 12020**: Cylindrical components with flanges.
- 12005**: Long cylindrical components with flanges.

The diagram shows the spatial relationship between these parts, indicating how they fit together to form the complete assembly.
