# NINJA® ZX™-10R KRT EDITION

**Kawasaki**  
Let the Good Times Roll®

MSRP NON-ABS  
**\$16,699**

MSRP ABS  
**\$17,699**

LIME GREEN/EBONY/PEARL BLIZZARD WHITE

## POWER

|                       |                                                                                                                                                                                                                                                                                               |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Engine                | 4-stroke, In-Line Four, DOHC, 16-valve, liquid-cooled                                                                                                                                                                                                                                         |
| Displacement          | 998cc                                                                                                                                                                                                                                                                                         |
| Bore x Stroke         | 76.0 x 55.0mm                                                                                                                                                                                                                                                                                 |
| Compression Ratio     | 13.0:1                                                                                                                                                                                                                                                                                        |
| Fuel System           | DFI® w/ 47mm Mikuni throttle bodies (4) with oval sub-throttles, two injectors per cylinder                                                                                                                                                                                                   |
| Ignition              | TCBI with digital advance and Sport-Kawasaki Traction Control (S-KTRC)                                                                                                                                                                                                                        |
| Transmission          | 6-speed, return shift                                                                                                                                                                                                                                                                         |
| Final Drive           | Sealed chain                                                                                                                                                                                                                                                                                  |
| Electronic Rider Aids | Electronic Cruise Control, Kawasaki Launch Control Mode (KLCM), Kawasaki Intelligent anti-lock Brake System (KIBS), Kawasaki Sport Traction Control (S-KTRC), Kawasaki Engine Braking Control, Kawasaki Quick Shifter (KQS) (upshift & downshift), Kawasaki Corner Management Function (KCMF) |

## PERFORMANCE

|                                 |                                                                                                                           |
|---------------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Front Suspension / Wheel Travel | 43mm inverted Balance Free Fork, adjustable stepless rebound and compression damping, spring preload adjustability/4.7 in |
|---------------------------------|---------------------------------------------------------------------------------------------------------------------------|

|                                |                                                                                                                                                                                        |
|--------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Rear Suspension / Wheel Travel | Horizontal back-link with Balance Free gas-charged shock, stepless, dual-range (low-/high-speed) compression damping, stepless rebound damping, fully adjustable spring preload/4.5 in |
| Front Tire                     | 120/70 ZR17                                                                                                                                                                            |
| Rear Tire                      | 190/55 ZR17                                                                                                                                                                            |
| Front Brakes                   | Intelligent Braking (KIBS) (ABS only), Brembo dual semi-floating 330mm discs with dual radial mounted monobloc 4-piston calipers                                                       |
| Rear Brakes                    | KIBS-controlled (ABS only), single 220mm disc with aluminum single-piston caliper                                                                                                      |

## DETAILS

|                  |                                                                                                          |
|------------------|----------------------------------------------------------------------------------------------------------|
| Frame Type       | Aluminum perimeter                                                                                       |
| Rake/Trail       | 25.0° / 4.1 in                                                                                           |
| Overall Length   | 82.1                                                                                                     |
| Overall Width    | 29.5                                                                                                     |
| Overall Height   | 46.7                                                                                                     |
| Ground Clearance | 5.3                                                                                                      |
| Seat Height      | 32.9 in                                                                                                  |
| Curb Weight      | 456.4 lb*                                                                                                |
| Fuel Capacity    | 4.5 gal                                                                                                  |
| Wheelbase        | 57.1                                                                                                     |
| Special Features | Aerodynamic Downforce Generating Devices, Rideology the App Smartphone Connectivity, TFT Instrumentation |
| Color Choices    | Lime Green / Ebony / Pearl Blizzard White                                                                |
